

## Delta Drive, Dinner & Discussion

Join Delta us on Saturday, February 28<sup>th</sup> for a relaxing drive from [Bab's Delta Diner](#) in Suisun City to Locke, ending up with a great dinner meeting at the famous [Al's Place](#) (better known to the locals as Al the Wop's). The run, of course, is open to all Miata drivers but please RSVP to Don Updegraff so that he can notify the restaurant of how many to expect for the dinner. The run will go off, rain or shine, but the route may be altered depending on weather and Ferry status (the Real McCoy may still be in drydock).

The run will begin **2:00 pm Saturday** at the Bab's parking lot at 770 Kellogg Street, Suisun City, 94585. We will cover about 75 miles of levee roads and plans to arrive at Al's at approximately **5:00 for an early dinner meeting**. (Al's is only a few miles west of I-5, so it'll be an easy return home afterwards.)

Enjoy some lightly traveled Delta backroads and hear what was discussed at the latest Board Meeting! (hint, think By-laws Revisions)

See you Saturday, rain or shine,  
Don
