

Stewart's Point Winery, Picnic and Romance Weekend!

Sat Sept 26th – Sun Sept 27th, 2009
(One-day option OK, too)
Event Leader: Graeme Kinsey

New Starting Location: Chevron
Station -- Winters, Hwy 128 exit at I-505
Time: Meet 7:30 AM, Saturday;
Drivers' meeting 7:45 AM;
Depart at 8:00 AM

Add an entirely new (twisty) route, a beautiful winery picnic, whale watching, dining choices, shopping, strolling/hiking, zebras!!!? Break out of the Valley Heat and join us on a Miata driver's full day of fun with an optional stay overnight on the Coast right above the surf.

We'll zoom-zoom across beautiful twisty roads, stopping along the way at a delightful winery we found with friendly folk, wonderful wine and a beautiful picnic area. Everyone bring something easy to eat (we'll bring salami, cheese, grapes. . .), enjoy a glass of wine or tasting (designated drivers. . .) or bring soda, water. . . etc. Those who bring food will get a surprise!

Then we're off along the rest of Stewart's Point road to our lodging on the bluff in Gualala. Watch for whales, enjoy the magnificent sites on the coast or just kick back and relax – maybe go visit Herbie and his captive shark (see photo). Dinner options are many – reception at Sharon &

Graeme's, a restaurant meal together, or on your own. . . we'll take a vote.

Sunday morning we'll have a super breakfast at the nearby Redwood Grill (cinnamon French Toast or omelets, anyone?). Then off we go again, to visit an artist's tile studio, see some beautiful African animals, and go east! – along a (new!) very twisty mountain road home.

We're on, RAIN or SHINE. Bring your FRS radios to keep in touch along the way.

Lodging will be at the "Seacliff on the Bluff". It's a romantic inn with every room offering an ocean view, private deck, fireplace, whale-watching binoculars, Jacuzzi for two, and even complimentary champagne or sparkling apple cider. We have placed a block on ten rooms but it's first-come, first served. . .
