

The Great San Francisco Tour and Luncheon

Sunday, November 14, 2010

Come on and join your fellow Miata enthusiasts for a drive through and around San Francisco in Autumn – Sublime. We'll cruise through unusual byways to see the fairest City of them all. Of course we'll go to Twin Peaks, Chinatown, Marina Greens and the Presidio but also a few Unusual Spots not on the casual visitors' itinerary.

Then we'll continue on to the World War II Memorial to the USS San Francisco with its impressive view of Lands End, past the Cliff House and down to our final destination, "**The Beach Chalet**" for Lunch. We'll have a reserved spot with great views in addition to a fine lunch with a selection of awesome brews made right on the premises. A great place to enjoy any time you're in the vicinity.

So it's up to you. Be blasé and lazy while you stay at home on the couch, but you know that Miata in the garage is yearning for yet another run before the rains kick in. So bring your camera, your best Navigator and come join us!

We'll meet at 8:45 AM with a Departure time of 9:15 AM from the parking lot of Marie Callendars in Walnut Creek at the corner of Mt Diablo Blvd and California Blvd. You can even start off the day with breakfast at Marie Callendars'.
