### Jeff & Beth's Original Run Announcement

**When: 9:00 AM** (Drivers' meeting 9:15 AM, on the road at 9:30 AM)

I am leading a run in celebration of our Miatas and two of our friends -- Jeff & Beth Easterling -- who traveled with us many times, bringing laughter and love to us all. Some folk will say that they even fell in love on the Yosemite Miata run! We were all shocked to hear of the tragic accident, on their beautiful sailboat outside of the Golden Gate a short while ago, that took these wonderful friends from us.

I know these extraordinary people would not want us to be sad about their passing. Instead they would simply smile and tell us to think of all of the good times they shared with us and to celebrate life -- continue on with finding fun and rewarding things to do, each day that we have together! Thus, I'm leading a run following the route they designed for us as they led their first Delta Miata Club event in 2007. We will honor our friends and will continue on with a beautiful run through canyons, hillsides, ridge-tops with views of SF Bay, ending up at a funky café that they introduced us to over in Port Costa.

This will not be a sad day -- this will be a celebration of friends who are with us and those who cannot be with us -- but it will also be a day of typical Miata fun and friendship! The route is primarily through areas popular with hikers and cyclists so this will be a somewhat leisurely run with plenty of time to enjoy the views and appreciate the wonderful area we live in and how lucky we are to be driving our great little cars together.

The run will end in the early afternoon in Port Costa at the Warehouse Café -- cash only -- where those who wish can enjoy a fun lunch and hang around for a while. It's a funky café, so bring your fun spirits! BBQ is \$8 or \$9 per plate. As Beth wrote: *"(can feed two and is great!); The best long island iced teas ever! Over 300 beers on the menu! One bear -- but it's a big 'un. "*
